The Friendly Padel Nations Cup is a team competition where nations consisting of 6 different players (3 male & 3 female players) will play against other nations. A nation can participate with a maximum of 3 teams. Each team must try to meet the following requirements:

- 3 couples in total
 - 1 male couple (min. 90 years in total)
 - 1 female couple (min. 90 years in total)
 - 1 mixed couple (min. 90 years in total)
- For every team game the couples can be changed, but still need to meet the above mentioned criteria.

Each participating team will have between 3 and 5 games.

Playing rules: Golden point and if needed a third set it will be a Champions Tie Break (till 10).

One day (Friday) before the Friendly Padel Nations Cup starts there will be a pre tournament (americano) in different couple categories to warm up and to get to know each other.
